

FRIDAY 11TH SEPTEMBER 2026

TIME	PRESENTER	TITLE	CONTENT
11.30	Motor Insurers' Bureau	MIB – your road to a meaningful career	Learn about the impact of uninsured and hit-and-run driving, and how MIB is working to end uninsured driving for good
12.30	Marshall Amplification	The Marshall Story	For over six decades, Marshall’s legacy has grown chord to chord, person to person, generation to generation. Our most iconic amps are still hand crafted in Bletchley, Milton Keynes by our skilled operatives. Today, the Marshall name stands for more than just our legendary guitar amplifiers. It powers musicians and music lovers with professional equipment, consumer electronics, a record label and a state-of the art recording studio, delivering exceptional audio experiences worldwide. We are the home of loud, so come and join our amazing manufacturing team!
13.00	University of Bedfordshire	Your Future, Career Powered.	Thinking about your next step? Discover how higher education can enhance your career prospects, build valuable skills, and open doors to exciting opportunities at the University of Bedfordshire.
13.30	ATL Ltd	Do you want to build an F1 Fuel Tank?	Every Formula 1 car on the grid runs on a fuel tank built right here in Milton Keynes, and we want to show you how. ATL is the hidden engineering powerhouse behind some of the world’s most extreme machines: F1 cars, WRC rally cars, military vehicles, aircraft and more. In this seminar, we'll take you behind the scenes of what it’s really like to work here: the roles, the industries we supply, and how apprenticeships, placements, internships and work experience can launch your career in an industry most people never know exists. Curious about motorsport, or how an F1 fuel tank gets made? Come and meet the ATL team.
14.00	PJ Care	Join James Murray, Registered Manager at Mallard House, for an insightful talk about our specialist services.	Learn how we support individuals through person-centred therapy and rehabilitation programmes, discover the positive outcomes we help people achieve, and hear about the rewarding career opportunities available within our team.
14.30	bpha	bpha – a ‘Great Place to Work’	Sharing some employee insights into the benefits, culture, and reasons why bpha has been recognised as a ‘Great Place to Work’. Additionally feedback and insights from our apprenticeship program.
15.00	BEDFORDSHIRE POLICE	A career like no other	Considering a rewarding career? Are you bored of the mundane 9-5? Bedfordshire Police have a variety of options for you. Bedfordshire’s PCs and DCs talk about everything you need to know about joining the police as a career path. From attending live incidents, thinking on your feet, and saving life and limb; to dealing with arrested offenders, solving complex or sensitive incidents, or enforcing warrants on career criminals – We have every exciting option for you. Find out everything about our roles, responsibilities, salary, benefit....and our current vacancies!
15.30	Work For Us	Navigating the Modern Job Search	Works for Us promotes social inclusion by helping people to make informed choices about employment and training needs, providing them with a pathway to paid or better paid work. We enable them to access vocational guidance, training and volunteering. We raise their skill levels, qualifications, motivation and confidence to help them to compete more effectively in the labour market.
16.00	Deaf Progress Ltd.	Are You Missing Out on Talent? Inclusive Recruitment for Deaf and Disabled Jobseekers	Join Deaf Progress for an engaging seminar exploring how employers can create fairer and more inclusive recruitment practices for Deaf and disabled jobseekers. We will discuss the common barriers candidates face during recruitment, from inaccessible application processes to interview adjustments, and provide practical, low-cost solutions that help employers attract and retain talented individuals. We will also cover reasonable adjustments, effective communication, the Equality Act 2010, Access to Work, and the business benefits of building a truly inclusive workforce. Whether you are an employer, recruiter, HR professional or hiring manager, you will leave with practical actions you can implement immediately to make your recruitment process more accessible and inclusive.
16:30	LAND-U Coaching	AI for LinkedIn: Making data-driven decisions in the job market	Learning about the tangible ways that we can use tools (not just AI) to find roles fast, have opportunities find you and connect better to decision-makers. • Profile Optimisation • AI Job Match • Job alerts • Getting closer to decision-makers/influencers
